

AMENDMENTS TO THE CLAIMS

Claim 1. (previously presented) A method of processing a purchase order for a consumer-specific assortment of feminine care products, the method comprising the steps of:

determining at a first location an assortment of feminine care products for a consumer at a second location remote from the first location based on information provided by the consumer, the determined assortment of feminine care products including a non-commercial quantity of at least one type of absorbent catamenial product;

accepting at the first location a purchase order placed by the consumer at the second location for at least the determined assortment of feminine care products; and

prompting the consumer to place another purchase order for products corresponding to the determined assortment of feminine care products.

Claim 2. (original) The method of claim 1 wherein said information is provided and said purchase order is placed by the consumer through a computer network.

Claim 3. (original) The method of claim 1 wherein the determined assortment of feminine care products includes non-commercial quantities of multiple types of absorbent catamenial products.

Claim 4. (original) The method of claim 1 wherein the determined assortment of feminine care products includes at least one product selected from the group consisting of menstrual cramp medication and contraceptives.
